

2012

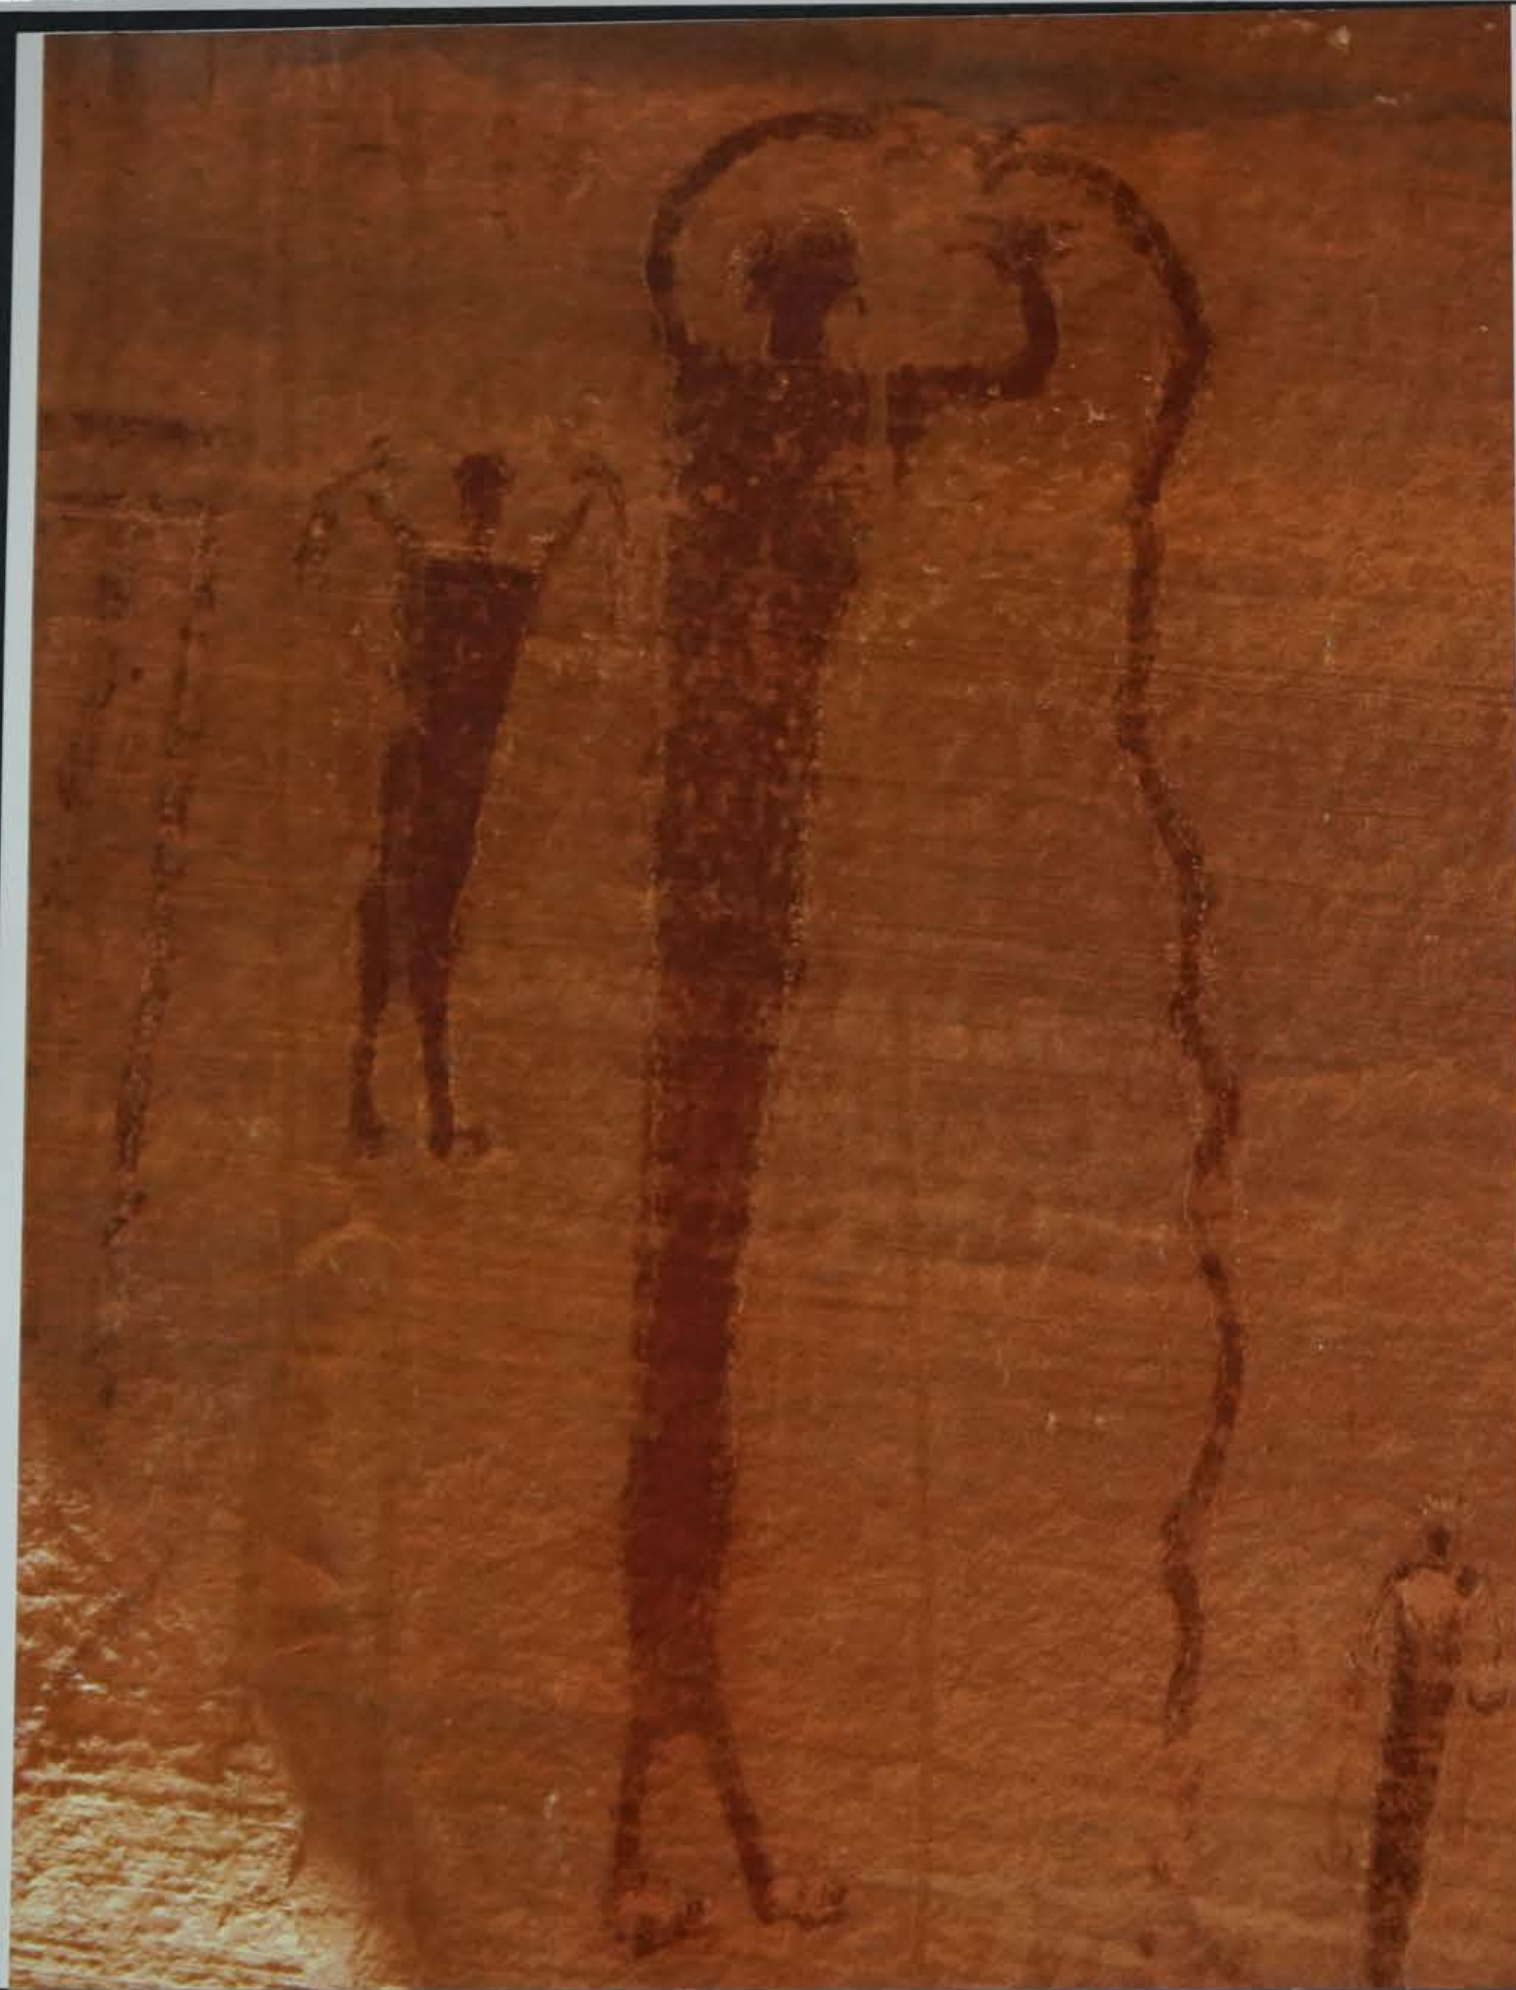

This book is a review of our trips going back through time, the places we've been and the things we've seen. We begin in the San Rafael Swell, Buckhorn Wash and Dinosaur Quarry. Some of the best that Southern Utah has to offer.

A man receives a woman's approval to the point
Playing the flowers daily, coming all the flowers
As a foundation left to steady the spirit in
A movement regular and repeated both of
All complete in the night of sleep of the
Changed only for a night of some, the night of some
Between the picture of time looking the day of time
Coming quickly to terms of all
